## ABOUT US...

Established in 2021, E FOUR is an electrical & mechanical trading company in the UAE, with 3 conveniently located showrooms including a general trading division – GRAND E FOUR GENERAL TRADING LLC.

Our team of highly enthusiastic and experienced professionals with over 20 years' experience in this industry is passionate about providing top notch electrical & mechanical products to meet the diverse needs of our clients.

E FOUR is the authorized distributor for leading brands like Kantherm (PPR Pipes & Fittings), Frater (Light Fittings) & Caparo Simplex (Cable glands, lugs & other accessories).

We pride ourselves on delivering exceptional service, competitive pricing and timely delivery to ensure your complete satisfaction

## MISSION

To provide quality products from leading brands at the most competitive price with an uncompromising service that make our customers happy.

## VISION

To establish ourselves as the favourite distribution partner for leading electrical and plumbing brands and to become essential to our customers by providing differentiated products and services.

# AUTHORIZED DISTRIBUTOR

## PPR Pipes & Fittings (KAN-therm PP Green)

System **KAN-therm PP Green** is a complete installation system consisting of pipes and fittings made of thermoplastic polypropylene PP-R (type 3) with a diameter range of 20-110mm and betapolypropylene copolymer PP-RCT with a diameter range of 125-200mm.

### Wide pipe range.

Various pipe structures in System KAN-therm PP Green range provide multiple possibilities in terms of assembly:

- Uniform PP pipes are available in range PN 16/S3,2 (SDR7,4) and PN 20/S2,5 (SDR6)
- PP Stabi pipes, where aluminium foil is used to strengthen the pipe, are available in the range PN 20/S2,5 (SDR6),
- PP Glass pipes with a layer of glass fibre are available in the range PN 16/S3,2 (SDR7,4) and PN 20/S2,5 (SDR6).

## PEX & PERT pipe & fittings (KANtherm ultraLINE)

System **KANtherm ultraLINE** is an innovative and the only technical solution on the installation market, designed to make both standard internal heating and drinking water systems, as well as specialised piping installations such as compressed air.

Its unique design and the ability of flexible configuration of a complete end solution give great convenience to the installers and designers. The flexibility of system **KANtherm ultraLINE** configuration consists in the possibility of using various types of pipes using the same design of fittings made of brass or plastic (PPSU), and plastic sleeves.

- Increased system hydraulics
- Significant reduction in cross-sectional clearances
- Compatibility with other KANtherm systems
- No additional sealing
- Wide range of connectors with threads and fittings
- Elements available in plastic and brass - 100 % substitutes
- Aesthetic look of fittings and light colour of PPSU plastic structures
- Significantly increase the visibility of the element in dark rooms

## CABLE ACCESSORIES

Simplex Cables UK Ltd. Accessories & Earthing Components Comply To The Latest BS EN, IEC Standards And Are UI Listed.

### CABLE GLANDS

Simplex Cables UK Ltd's most popular range of cable glands include 100% Extruded, CNC-machined metal and special PVC glands to meet the most stringent environment conditions for outdoor, indoor and fire-rated applications.

### HEAVY-DUTY LUGS

Manufactured from seamless copper tube, Simplex Cables UK Ltd exclusive range of tinned-copper heavy duty cable lugs give an assurance of minimum 99.5% copper content for maximum current flow and electrical conductivity.

### CABLE CLEATS

Simplex Cables UK Ltd's cable cleats are designed for use within industrial areas and hazardous locations. Our comprehensive and diverse range of cable cleats are tested in accordance with BS and IEC standards to provide best support and retention to any formation of cables.

## LIGHT FITTINGS

Frater, a Spanish company founded in 1988, provides a wide array of high-quality LED lighting solutions to suit any needs. By manufacturing locally, Frater can maintain a customer oriented approach to meet their demands and deliver products promptly. Frater's lighting solutions cover a wide range of applications, from residential and commercial to industrial and retail

### PRODUCT RANGE

#### Indoor

Downlight, SpotLight, Track Light, Ceiling Light, Liner Light, Mirror Light, Panel Light, Weatherproof Light, High bay Light

#### Outdoor

Flood Light, Bulkhead Light, Canopy Light, Street Light

#### Landscape Light

Underwater Light, Inground Light, Spike Light, Bollard Light, Wall Light, Wall Recessed Light

#### Explosion Proof Light

Weatherproof Light, High bay Light, Flood Light

#### Strip & Neon Flex Lights

# TRADING PRODUCTS

## CABLES & WIRES

- Low Voltage XLPE or PVC Insulated Power cables
- LV PVC Insulated Building Wires
- LV XLPE Insulated LSZH cables
- LV LSZH Insulated Wires
- PVC Flexible Cables
- Instrumentation Cables
- Control & Auxiliary Cables
- HO7RN-F Rubber Cables
- Fire Resistant Cables

## WIRING DEVICES

We provide the most complete line of residential, commercial and industrial electrical wiring devices

- Decorative Metal Range Switches, Sockets & Accessories
- Decorative & White PVC Range Switches, Sockets & Accessories
- Metalclad Switches, Sockets & Accessories
- Weatherproof Switches, Sockets & Accessories
- Multi-gang Switches

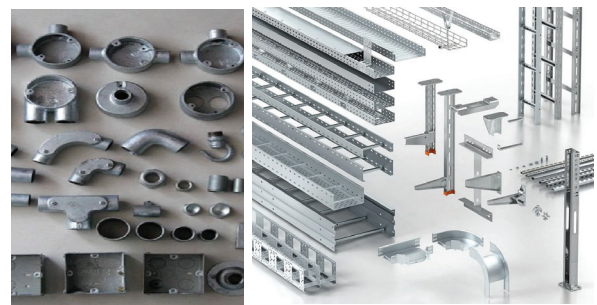

## LIGHT FITTINGS

We supply a variety of Commercial Luminaires, Industrial Luminaires, Street Lights, LED Spotlights, LED Tube Lights, LED Panel, Surface Lights, LED Flood Lights, Landscape Lights, and many other lighting solutions.

## CABLE MANAGEMENT SYSTEM

- GI Cable Trays, Trunkings, Channels
- GI & PVC Conduits & trunking system
- HDG Cable Trays & Trunking
- Floor Distribution System
- GI/PVC Flexible Conduits & accessories

## CABLE TERMINATION & JOINT KITS

- Cable Glands, Lugs, Ferrules
- Cable Termination Kits (Indoor & Outdoor)
- Resin type joint kits
- Heat Shrinkable Joint Kits

# TRADING PRODUCTS

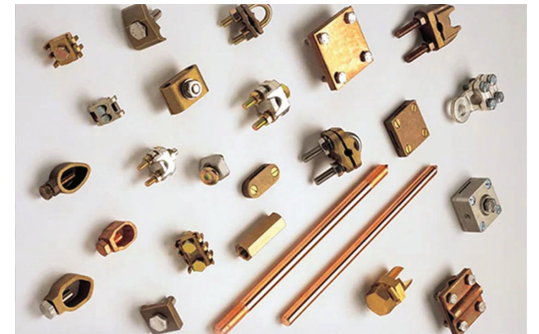

## FANS

- PVC & Metal Exhaust Fans
- Stand Fans & Wall fans
- Ceiling & Orbit Fans
- Inline & Duct Fans
- Mist fans
- Portable Duct fans

## EARTHING & LIGHTNING

- Solid & Copper Bonded Earth rods
- Earth rods Accessories
- Earth Pits
- Earth Enhancing Materials
- Copper Tape & Accessories
- Lightning Arrester & Accessories

## WATER PUMPS & WATER HEATER

- Centrifugal Water Pumps
- Booster Pumps
- Induction Motors
- Automatic Pressure Kits
- Water Heaters
- Heating Elements

## DISTRIBUTION BOARDS, CONTROL PANELS & ACCESSORIES

- MDB's, SMDB's, Final DB's
- Starter Panels, Control Panels
- MCCB's, MCB's, RCCB's, Isolators
- FRP, Metal & PVC Enclosures
- Digital & Analogue Meters
- Terminal Connectors, Wire end, Sleeves
- Contactors, O/L Relays, Plugin Relays
- Timers & Controllers
- Sensors & Limit Switches
- Fuses, Capacitors
- Din rail, Neutral Bars, Panel Trunking
- Panel Wires

## TOOLS

- Line Testers, Clamp Testers, Multimeters
- Manual & Hydraulic Cable Crimping Tools
- Conduit Bending & Threading Tools
- Thermo Meters, Hygrometers, RCD testers
- Electrician Tool Kit
- Screw Drivers, Pliers, Socket Set, Spanners
